

# Foggy, Come In To My Dreams

Come into my dream  
let me show you where I've been  
it's you and me I've seen  
let me tell you what I mean....

Come into my dreams  
let me show you where I've been  
it's you and me I've seen  
let me tell you what I mean  
in the deep blue sky  
there are rainbows in the night  
you and me could fly,  
and the ocean shines so bright

Come into my dreams  
let me show you where I've been  
it's you and me I've seen  
let me tell u what I mean

Come into my dreams  
let me show you where I've been  
it's you and me I've seen  
let me tell you what I mean  
in the deep blue sky  
there are rainbows in the dark  
you and me could fly,  
and the ocean shines so bright
