

# Foggy, In Your Eyes

In your eyes I see the sun shine  
It's so bright that I can't see  
And this love is so much stronger  
Than everything that I've seen before

In your eyes  
I see flowers and trees  
In your eyes  
I see beautiful things I can't believe  
'Cause in your eyes, I see  
The love light shined on my  
In your eyes, in your eyes, in your eyes

As if blue skies bring some rain  
I feel the blood rush in my veins  
I never want to see you cry  
Recently you said good night  
Did not believe it for a while  
But you really meant good bye

In your eyes I see the sun shine  
It's so bright that I can't see  
And this love is so much stronger  
Than everything that I've seen before

As if blue skies bring some rain  
I feel the blood rush in my veins  
I never want to see you cry  
Recently you said good night  
Did not believe it for a while  
But you really meant good bye

In your eyes I see the sun shine  
It's so bright that I can't see  
And this love is so much stronger  
Than everything that I've seen before

In your eyes  
I see flowers and trees  
In your eyes  
I see beautiful things I can't believe  
'Cause in your eyes, I see  
The love light shined on my  
In your eyes, in your eyes, in your eyes
