

Foghat, I Want You To Love Me

Waters

I want you to love me baby, love your baby slow,
I want you to love me baby, love your baby slow,
I want you to love me baby 'til I drop dead in front of your door.

I want you to love me baby, 'til my lips turn cherry red,
I want you to love me baby, 'til my lips turn cherry red,
I want you to love me baby 'til I fall dead across your bed. Oh yeah

{Rod - Solo - Dave scat solo}

I want you to love me baby, love your baby slow,
I want you, I want you to love me baby, please love me slow,
I want you to love me baby, oh yea,
I want you to love me baby,
I want you to love me baby, 'til I can't take no more.

Love me baby, love me baby.

{Rod - Solo}

Oh yeah

Love me baby, love me baby,
Love me baby, love me baby,
Love me slow...
