

Foghat, Leavin' Again (Again)

Stevens / Peverett - Chrysalis Music Corp. - ASCAP

I'm leavin' again, long way to go
It's a sad feeling, we already know
Ticket's bought and the contract's signed
And it's too late to change my mind

I'm leavin' again, help me pack my case
I'll be a long time, in another place
I'm working for something, and it ain't no lie
It should've taken me, a lifetime to buy

{Instrumental}

I'm leavin' again, when the night has gone
So let's make love, while the time rolls on
And time rolls on, to another day
And this time tomorrow, I'll be so far away

{Rod - Solo}
