

Fokofpolisiekar, Fokofpolisiekar

Al die fucked-up kinders rook
Maar kyk mooi
Daar is iets ander fout
En ek wil beter verstaan
Wat is die oorsprong van my haat

En nou's dit ses jaar later
En soms voel als nogsteeds die selfde
Daar's minder tyd

Al my verskonings is al klaar gebruik
O my verstand
My verstand is al klaar uitgesuip
En ek wil beter verstaan
Wat is die oorsprong van my haat

En nou's dit ses jaar later
En soms voel als nogsteeds die selfde
Daar's minder tyd

Fokof
Fokof polisiekar
Fok jou
Fok jou polisieman

Fokof
Fokof polisiekar
Fok jou
Fok jou polisieman

En nou's dit ses jaar later
En soms voel als nogsteeds die selfde
Daar's minder tyd

Fokof
Fokof polisiekar
Fok jou
Fok jou polisieman

Fokof
Fokof polisiekar
Fok jou
Poes off polisieman

==English: Fuck Off Policecar==
</lyrics>
All the fucked-up kids are smoking
But look closely
There is something else that's wrong
And I want to understand better
What is the source of my hatred

And now it's six years later
And sometimes everything still feels the same
There's less time

All my excuses have already been used
Oh my mind
My mind is already drunk
And I want to understand better
What is the source of my hatred

And now it's six years later
And sometimes everything still feels the same
There's less time

Fuck off
Fuck off police car
Fuck you
Fuck you policeman

Fuck off
Fuck off police car
Fuck you
Fuck you policeman

And now it's six years later
And sometimes everything still feels the same
There's less time

Fuck off
Fuck off police car
Fuck you
Fuck you policeman

Fuck off
Fuck off police car
Fuck you
Cunt off policeman
