## Fold Zandura, Dark Divine

form the wordless truth that burns so long (so long) it runs me through

come in blur and light that turns so wide (so wide) im purified

the blood, my love my soul mixed in with you the life, i now live you new wine the meld, the mix the blue shifting power the word to the letter i breathe you in

shape this dark divine from sleep so long (so long) to mystify

come in slur and slide and dim so bright (so bright) you are glorified

breathe you in
