

Fold Zandura, Please Believe

please believe that i never wanted to hurt you

please forgive anything i've said that was untrue

i know it's too late to fill the space you've taken away

and i could never replace the feelings

please believe

please believe that i never meant to desert you

and believe all i ever wanted was to deserve you

it might be too late to feel regret for things i can't change

if i could bring back yesterday i would

please believe

would you believe i never meant to...

it can't be too late

to say "my life would not be the same if you had never been there for me"

please believe
