

Folkearth, Father Of Victory

Father of victory,
My life I lay down to thee:
Steep me in majesty,
And forth send thy Valkyries!

Father of victory,
My sword I offered unto thee:
Crown me for eternity,
In Valhalla now welcome me!

Father of victory,
Behold! Your true son am I:
As Einherjer I stand,
In your honor for to fight!

Father of victory,
Thou who reings supreme,
Ride wild a' hunting
O'er fires on the battlefield!
