

Fonzie, I Miss Ya

Going forever, will she ever let me?
Can i tell her to keep on waiting
without taking off

Yeah!! To many shows, to many days
We've got to be apart untill end of tour
I'll miss you a lot

Going forever, will she ever let me?
It keeps going, and she's waiting
without taking off

Can i be with her, or am i wrong
I'm not that strong, I've gotta tell her
