

# Fonzie, Rock My Heart

Cleaning an old box  
I found so many things  
that i'd forgotten for a while  
the pictures,the letters,  
the rhymes,that we shared  
a teddy bear  
that you gave me on valentine's

Always,and always you  
will rock my heart

My time is over,  
but i'll be back for sure  
tomorrow is another day  
Oh!Those pictures,  
those letters,  
the rhymes that we shared  
that bear you gave me on valentine's
