

Fonzie, Silly Girl

started on a summer sunday,
the pink dress on the setting sun
you were going to grandma's house,
i was too scared to come

chorus

silly girl, i'm beggin' you (tell me all the things i want to hear)
silly girl, i'm in love with you

i had to run to catch you,
you always move so fast
with your cute little smile and silly laugh,
god gave me love at last

chorus

they said just stay away
and now i wish i had

i'm so in love with you,
my silly girl

they made me go away,
sometimes life isn't fair
but i'll be back some day,
i hope you'll still be there

chorus

when you're just a silly boy like me,
you're always so scared
i was too scared to love you,
even though i really cared
