

# Foo Fighters, Fraternity

I'll never be fraternity  
Another disease fraternity  
Never believe fraternities  
Just armies fall in line

I'll never be fraternity  
I'll never need that brand on me  
Fading the pace behind your eyes  
Free to be straight for shape and size  
Waiting awake and watch you rise  
Go on keep feeding

Swearing by the  
Swearing father  
Swearing fathers in

I'll never be fraternity  
Another disease fraternity  
Never believe fraternity  
Just armies fall in line

I don't believe fraternities  
Seed of disease fraternities  
Weight of the hate behind your eyes  
Free to be straight for shape and size  
Waiting awake and watch you rise  
Go on keep feeding

Swearing by them  
Swearing father  
Swearing fathers in

I'll never be fraternity  
Another disease fraternity  
Never believe fraternities  
Just armies fall in line

Hand me down

I'll never be fraternity  
Another disease fraternity  
Never believe fraternities  
Just armies fall in line

Fall in line  
Fall in line
