

# Foo Fighters, Friend Of A Friend

He needs a quiet room  
With a lock to keep him in  
It's just a quiet room  
And he's there

He plays an old guitar  
With a coin found by the phone  
It was his friends guitar  
That he played

He's never been in love  
But he knows just what love is  
He said nevermind  
And no-one speaks

He thinks he drinks too much  
Cos when he tells his too best friends  
'I think I drink too much'  
No-one speaks  
No-one speaks  
No-one speaks

He plays an old guitar  
With a coin found by the phone  
It was his friends guitar  
That he played

When he plays  
No-one speaks  
No-one speaks  
When he plays  
No-one speaks
