

Foo Fighters, In Your Honor

Can you hear me
Hear me screamin'
Breaking in the muted skies
This thunder heart
Like bombs beating
Echoing a thousand miles

Mine is yours and yours is mine
There is no divide
In your honor
I would die tonight

Mine is yours and yours is mine
I will sacrifice
In your honor
I would die tonight
For you to feel alive

Can you feel me
Feel me breathing
One last breathe before I close my eyes
This suffering
For receiving
Deliver me into the other side

For you to feel alive
For you to feel alive
For you to feel alive
AHH
