## Foo Fighters, In Your Honor

Can you hear me Hear me screamin' Breaking in the muted skies This thunder heart Like bombs beating Echoing a thousand miles

Mine is yours and yours is mine There is no divide In your honor I would die tonight

Mine is yours and yours is mine I will sacrifice In your honor I would die tonight For you to feel alive

Can you feel me Feel me breathing One last breathe before I close my eyes This suffering For receiving Deliver me into the other side

For you to feel alive For you to feel alive For you to feel alive AHH
