

Foo Fighters, The Colour And The Shape

Everyone makes one mistake
One more time for old times sake
One more time before the feeling fades
One thats born of memories
One more bruise you gave to me
One more test just how much can I take
Because youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like shit
Something never meant to be
Everything you meant to me
Wake me when this punishment is done
Those who try and get away
>From the one who gets away
Someones always someone elses one
Because youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like shit
Youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like shit
Until the end of time
In another life
Until the day I die
Save it up for one more try
Save it for the last goodbye
We go on and get off
And get on and get off
Because youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like shit
Youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like shit
Because youre not the one but youre the only one
Who can make me feel like this
Youre not the one but youre the only one
Who can make me feel like
Ohhhhhhhh shit
