

# Foo Fighters, The One

Everyone makes one mistake  
One more time for old times sake  
One more time before the feeling fades  
One thats born of memories  
One more bruise you gave to me  
One more test just how much can I take  
Because youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like shit  
Something never meant to be  
Everything you meant to me  
Wake me when this punishment is done  
Those who try and get away  
&gt;From the one who gets away  
Someones always someone elses one  
Because youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like shit  
Youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like shit  
Until the end of time  
In another life  
Until the day I die  
Save it up for one more try  
Save it for the last goodbye  
We go on and get off  
And get on and get off  
Because youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like shit  
Youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like shit  
Because youre not the one but youre the only one  
Who can make me feel like this  
Youre not the one but youre the only one  
Who can make me feel like  
Ohhhhhhhhh shit
