

# Foo Fighters, The Sign

I got superstition  
Ruling my decision  
You are my religion  
Haven't got a Prayer

So just give me the sign and I'll follow you  
When every angel's guarding you  
You are my religion  
Haven't got a prayer

I don't want to wait to save your life  
I think I know a way to make things right

Just give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling me

Give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling out for me

Walking under ladders  
Nothing really matters  
There could be disaster  
I don't really care

So just give me the sign and I'll follow you  
When every angel's guarding you  
There could be disaster  
I don't really care

I don't want to wait to save your life  
I think I know a way to make things right

Just give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling me

Give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling out

For me x2

I don't want to wait to save your life  
I think I know a way to make things right

Just give me the sign  
Give me the sign  
Give me the sign  
Just give me the sign

Just give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling me

Give me the sign and I'll come for you  
Give me the sign and I'll be your rescue, baby  
I'll run your way when I hear you calling out for me (give me the sign)

Give me the sign x3
