

Foo Fighters, Weenie Beenie

I'm molasses hung in rent
read a sponsor one shot no post-show
tear it off, but not a lot, it's not enough to debate
as if you blame real and stagnate
big shit no shit
tear it off, but not a lot, only so much you can take
some try that hit
beast and mud lead
big shit no shit
tear it off, but not a lot, only so much you can take
tear it off, but not a lot, it's not enough to debate
big shit no duh
right?
one shot nothing
