

# Foo Fighters, Winnebago

Able bodied, chew the word  
Cop to plenty, sell the tour  
Split the moment, seal the sheet  
Take the hemlock, beg to see

Feed the lawn from the palms of their hands  
Never holding, to a pole  
Winnebago, we were one  
Hold in wonder, spoke and wheel  
She divorces, party zeal

Daddy loves little son, no demand  
Able bodied, chew the word  
Cop to plenty, sell the tour  
Split the moment, seal the sheet  
Take the hemlock, beg to see

Crawl along, lookin'up 'til you stand
