

# Fool's Garden, I Won't Kill Myself

Seven years of bad luck,  
seven years of pain.  
You shot your life against me  
but now I've got myself again,  
and I feel so high, and I feel so sane.  
I've put all the rubbish just beside me.  
Do you understand? Do you understand?

Hey Candy,  
does it make you satisfied  
when you tell me I'm a loser?  
Have you ever really tried  
to enjoy yourself, to enjoy the rain?  
When you kiss the sweat of BATMAN,  
does he understand?  
Just the way I can.

No, I don't kill, I don't kill myself.  
No, I won't kill, I won't kill myself.  
No, I don't kill, I don't kill myself,  
because of you!

I am not suicidal, not depressed,  
I don't feel the heartache  
and I'm no longer stressed.  
Girl, I feel so high  
it's because I've changed  
my my my point of view today.  
Do you understand? Do you understand?

No, I don't kill, I don't kill myself.  
No, I won't kill, I won't kill myself.  
No, I don't kill, I don't kill myself,  
for you!

Does he really understand -  
for you -  
does he love you like I can't -  
for you -  
I've been waiting for this moment  
to come  
for so long.

No, I don't kill, I don't kill myself.  
No, I won't kill, I won't kill myself.  
No, I don't kill, I don't kill myself,  
because of you!  
Because of you!
