

# Fool's Garden, Missing

How does it feel?  
Now that we're softly falling  
Say do you feel the same  
Heroes won't fall,  
heroes won't fall

How does it feel?  
Now that we're slowly sinking  
Say do you feel the same  
It's wide open now,  
wide open now

Oh, don't miss you anymore  
The battlefields remain  
but it's better than before  
Oh, I don't miss you

Oh, don't miss you anymore  
The fear remains the same  
but it's better than before  
Oh, I don't miss you

Heaven is wide again  
Silence is always speaking  
We tried now we sail - the clouds  
cry as they fall,  
cry as they fall

Oh, don't miss you anymore  
The battlefields remain  
but it's better than before  
Oh, I don't miss you

Oh, don't miss you anymore  
The fear remains the same  
but it's better than before  
Oh I don't miss you  
I don't miss you

I still miss you  
We couldn't stay afloat  
Now we're washed upon the shore  
Oh, I don't miss you anymore  
I still miss you!
