

# Foolproof, Paper House

Bring out your dead  
And push'em to the side where the dead go  
Straighten up you chin  
I guess I never wanted you to say so

One more time (One more time)  
You left me out  
And one more time you say  
I'm falling but I won't look down

Please don't go  
I'm barely breathing  
Please don't take  
One step away  
Don't let go (No, don't let go)  
I'm tearing down your paper house again  
So please don't go away

Take down the signs  
Why leave up the signs it already shows?  
Prepare this time  
For your friendly neighbourhood dysfunction

One more time (One more time)  
You left me out  
And one more time you say

Please don't go cause I need you now (One more time)  
I need you more than anything (You left me out)  
And please don't go cause I need you now (One more time)  
I need you now (Again)

Please don't go  
I'm barely breathing  
Please don't take  
One step away  
Don't let go (Don't let go)  
I'm tearing down your paper house again  
So please don't go away

Please don't go cause I need you now (Please don't go cause I need you now)  
I need you more than anything (I need you now)  
And please don't go cause I need you now (Please don't go cause I need you now)  
I need you now (I need you now)  
I need you now!

Please don't go  
I'm barely breathing  
Please don't take  
One step away  
Don't let go (Don't let go)  
I'm tearing down your paper house again  
So please don't go away

Please don't go cause I need you now (Don't go, don't go)  
I need you now, I need you now (Don't go, don't go)  
Please don't go cause I need you now (Don't go, don't go)  
I need you now, I need you now (Don't go, don't go!)

Was that charming or what?
