

Footloose, Somebody's Eyes (Other Version)

Careful what you do
Someone's on to you
Careful what you do
Careful what you say
Cause you're on display
Every night and every day
Somebody's hiding in the great unknown
Uh-huh
And every time you think that you're alone
heh
Somebody's eyes are watching
Somebody's eyes are seeing you come and go
Somebody's out there, waiting for the show
You've got no disguise
From somebody's eyes
Somebody, somebody, somebody, somebody's eyes
Whoa-oh
Somebody, somebody, somebody, somebody's eyes
Whoa-oh

(dialect)

Careful how you speak
Turn the other cheek
Be careful how you speak
Think a naughty thought
And if you get caught
Well, then boy, you've bought a lot of trouble
Somewhere there's someone with a perfect view
Yoo-hoo
And they're just dying for a little peek-a-boo
Boo!
Somebody's eyes are watching
Somebody's eyes will never close, never sleep
Somebody's after the secrets that you keep
Who's got alibis
From somebody's eyes?

(dialect)

Somebody, somebody, somebody, somebody's eyes
Whoa-oh
Somebody, somebody, somebody, somebody's eyes
Whoa-oh

(dialect)

Never laugh too loud
Never leave a crowd
Never dress risque
There'll be hell to pay
If you've ever had anything to hide
Think twice before you step outside(somebody's eyes)
Somebody's eyes are watching
Somebody's eyes are following every move
Somebody's waiting to show they don't approve
Nothin satisfies
Somebody's eyes
Ain't no alibis
In somebody's eyes
You've got no disguise
From somebody's eyes
Somebody, somebody, somebody, somebody's eyes
Whoa-oh

Somebody, somebody, somebody, somebody's eyes
Whoa-oh

Whoaaaa-ohhhh
