Footloose, Somebody's Eyes (Other Version)

Careful what you do Someone's on to you Careful what you do Careful what you say Cause you're on display Every night and every day

Somebody's hiding in the great unknown

Uh-huh

And every time you think that you're alone

heh

Somebody's eyes are watching

Somebody's eyes are seeing you come and go

Somebody's out there, waiting for the show

You've got no disguise

From somebody's eyes Somebody, somebody, somebody's eyes

Whoa-oh

Somebody, somebody, somebody's eyes

Whoa-oh

(dialect)

Careful how you speak
Turn the other cheek
Be careful how you speak
Think a naughty thought
And if you get caught
Well, then boy, you've bought a lot of trouble
Somewhere there's someone with a perfect view
Yoo-hoo
And they're just dying for a little peek-a-boo
Boo!
Somebody's eyes are watching
Somebody's eyes will never close, never sleep
Somebody's after the secrets that you keep
Who's got alibis
From somebody's eyes?

(dialect)

Somebody, somebody, somebody's eyes Whoa-oh Somebody, somebody, somebody's eyes Whoa-oh

(dialect)

Never laugh too loud Never leave a crowd Never dress risque There'll be hell to pay If you've ever had anything to hide Think twice before you step outside(somebody's eyes) Somebody's eyes are watching Somebody's eyes are following every move Somebody's waiting to show they don't approve Nothin satisfies Somebody's eyes Ain't no alibis In somebody's eyes You've got no disquise From somebody's eyes Somebody, somebody, somebody's eyes Whoa-oh

Somebody, somebody, somebody's eyes Whoa-oh

.....

Whoaaaa-ohhhh
