For All Those Sleeping, Hands So Red On A Fac

so slow the snow it falls tonight we are not innocent i watch as beauty comes to life be still embrace the moment when all i see has turned to white we are not innocent time takes its time with us tonight iust breathe bleed, like you mean it now the tracks lead me to where you lay in absence of light tainted snow shines in the night your bloodshed silhouette looks (you look lovely) standing in your place i feel nothing can i feel your touch tonight, cold as ice come on baby, get your broken heart beatin' come on baby get your broken heart beatin' and over the horizon is where your last words echoed so i ask you to say it again say it again say it can you hold me close tonight i'm cold as ice come on baby get your broken heart beatin' come on baby get your broken heart beatin' and i don't want to say goodbye tonight come on baby get your empty lungs breathing come on baby get your empty lungs and over the horizon is where you gave your last breath so i ask you to breathe again breathe. ..take a deep breath honey don't let this be our last goodbye don't let this be our last your the silence that ill hear forever
