

For Felix, Songs To You

Its Sunday night tonight
I'm worthless cause I'm wondering where you are
and I cant sleep
Without your eyes closed next to mine
and its killing me to think with this you're fine
Please girl I don't know
If I can live without you
When all that I need is you by my side tonight my arms around you
No place to turn
talk to my friends
but all they tell me is to 'give up man shes gone'
But they don't know what I know
the lines of your face
the way your smile glows
Please girl I don't know If I can live without you
When all I can I think of is you by my side
tonight my arms around you
Sometimes you're here, sometimes your gone
Sometimes my mind plays tricks on me about you
Do you think of me when your alone
Give me a sign to give up or be with you now
