

# For My Pain..., Broken Days

(Music: Jarmo Kylvnen, Lyrics: O-P Trr, Juha Kylvnen)

Another broken day passed by  
Another dead night is waiting to come alive  
You are already trying to find  
One more way to hide from the burning light  
You don't want to see  
You don't want to feel  
Nothing but your hopeless destiny  
You can always cry but never complain  
All those bitter tears, will it ease the pain?  
(It's) Part of the crying game will it ease the pain?  
When everything should be fine  
I still found you depressed and crying all the time  
It seems to me that you want to feel like you're dying  
Kiss the darkness and turn you back to the light  
You don't want to see  
You don't want to feel  
Nothing but your hopeless destiny  
You can always cry but never complain  
All those bitter tears, will it ease the pain?  
(It's) Part of the crying game will it ease the pain?  
Even when the dead nights are gone those broken days remain  
All those bitter tears, will it ease the pain?  
(It's) Part of the crying game will it ease the pain
