

For My Pain..., Rapture Of Lust

(Music: Juha Kylmnen, Lyrics: O-P Trr, A. Vetelinen, Juha Kylmnen)

The crestfallen one
Drowned in to lies
Your promises in beautiful disguise
I see it from your eyes
The sweetest demise
The flame of you life, so sweet sacrifice
This is the game you want me to join in
It is you your world, (there's) nothing to believe in
The rapture of lust
The ruins of my trust
I will take your heart because you took mine
It's written in my mind
Painted in my heart
Temptation nearly tears up my scars
The mirror never lies
See the eyes of despise
You raped my dreams so I will take you down
