

For Squirrels, Orangeworker

The farmer digs a hole and fills it in with boiling oil
Hoping to make a dress from the ground to make it well
Say orangeworker, are you tried and true?
Say orangeworker, can you see it through?

Ride, don't fly, orangeworker, are you tried and true?
Ride, don't fly, orangeworker, can you see it through?

The farmer digs a hole and fills it in with boiling oil
Some day he'll clear the rest of frog and pond deliverance
Say orangeworker, are you tried and true?
Say orangeworker, can you see it through?

Ride, don't fly, orangeworker, are you tried and true?
Ride, oh ride, orangeworker, can you see it through?
Ride, don't fly, orangeworker, are you tried and true?
Ride, oh ride, orangeworker, are you feeling?

The farmer digs a hole and fills it in with boiling oil
Hoping to make a dress from the ground to make it well
Say orangeworker, are you tried and true?
Say orangeworker, can you see it through?

Ride, don't fly, orangeworker, are you tried and true?
Ride, yeah ride, orangeworker, can you see it through?
Ride, don't fly, orangeworker, are you tried and true?
Ride, yeah ride, orangeworker, are you feeling blue?
