(Music : Romarik d'Arvycendres)

Make love with death ...

May the tears
Fathom the flesh
Caress my words
Drink of me
Swallow my tearful sight
My carnal sin
Erotic shade
Before the candlelight
Stay the same
Eternal grace
And dare to die tonight

May the night - Be thy grave
O moon - Thy priestess
Stars - Thy cortege
Thunder - Thy requiem
O grace - come to me
Undead - Soon to be
Make love with death

Des visages de femmes
Meurtrires assouvis
Sans sourires ni larmes
Conduiront mon esprit

Come to where
Life and Death
Shall forever collide

Remain pure
Remain dark
Make one with the night
Far away
Far apart
Swear to be my promise
Remain pure
Remain dark
Thy earthly life falter

Meurs, dsespre !
Que tes pleurs me consolent
Cour considere,
La nuit comme une aurore
Possde le privilge
De caresser encore
Les dllices charnels
Amorant notre envol ...
