

# ForDireLifeSake, Insecurities Securing Tragedy

Ink that falls all over paper pads  
(like the last time you ran away)

I can feel it being further  
it's closer for me, it's further from you  
as these dreams keep getting closer  
it's closer for me, its further from you  
I can feel it being further  
it's closer for me, it's further from you  
as these dreams keep getting closer  
it's closer for me, its further from you

I know the reasons you're afraid  
Stand in line, you're not that different  
Realize you'll never deal this  
Stand in line, you'll always be this  
But you could never be this

Last night I saw dotted lines for days,  
but I couldn't see the look on your face  
What are you waiting for?  
(What are you waiting for?)  
That's why you'll never know  
I won't compromise for time,  
when I can see that look in your eyes  
For all your jealous sides  
(For all your jealous sides)  
I know you'll never try  
You can't disguise

Waste your time  
Time to decide  
Sever these ties  
Waste your time  
Time to decide  
Sever these ties  
Waste your time  
Time to decide  
(As these chances are passing you by)  
Sever these ties  
(Just keep telling yourself you'll be alright)  
Waste your time  
Time to decide  
Sever these ties

I know the reasons you're afraid  
Stand in line, you're not that different  
Realize you'll never deal this  
Stand in line, you'll always be this  
(like the last time you ran away)

I can feel it being further  
it's closer for me, it's further from you  
as these dreams keep getting closer  
it's closer for me, its further from you  
I can feel it being further  
it's closer for me, it's further from you  
as these dreams keep getting closer  
it's closer for me, its further from you
