

Foreigner, Double Vision (2008 Remastered LP V

Feeling down 'n' dirty, feeling kinda mean
I've been from one to another extreme
It's time I had a good time, ain't got time to wait
I wanna stick around till I can't see straight

Fill my eyes with that double vision
No disguise for that double vision
Ooh, when it gets through to me, it's always new to me
My double vision gets the best of me

Never do more than I, I really need
My mind is racing, but my body's in the lead
Tonight's the night, I'm gonna push it to the limit
I live all of my years in a single minute

Fill my eyes with that double vision
No disguise for that double vision
Ooh, when it gets through to me, it's always new to me
My double vision always seems to get the best of me, the best of me, yeah-ah

Ooh, double vision, I need my double vision
Ooh, It takes me out of my head, takin' me out of my head
Ooh, I get my double vision
Ooh, seeing double double, double vision
Ooh, oh my double vision
Ooh, double vision
Yeah-ah, I get double vision, ooh . . .
