

Foreigner, Urgent

You're not shy, you get around
You wanna fly, don't want your feet on the ground
You stay up, you won't come down
You wanna live, you wanna move to the sound
You've got fire in your veins
Burning hot, but you don't feel a thing
Your desire is insane
You can't stop until you do it again

And sometimes I wonder, as I look in your eyes
Maybe you're thinking of some other guy
But I know, yes I know, how to treat you right
That's why you call me in the middle of the night

You say it's urgent
So urgent
So awful urgent, urgent, urgent, just wait and see
How urgent our love can be
It's urgent (urgent, urgent...)

You play tricks on my mind
You're everywhere, but you're so hard to find
You're not warm or sentimental
You're so extreme, you can be so temperamental

But I'm not looking for a love that lasts
I know what I need, and I need it fast
Yeah, there's one thing in common that we both share
That's a need for each other, anytime, anywhere

It gets so urgent
So urgent
You know it's urgent
I wanna tell you it's the same for me
So awful urgent, urgent, urgent, just wait and see
How urgent our love can be
It's urgent (urgent, urgent...)

You say it's urgent
Make it fast, make it urgent
Do it quick, do it urgent
Gotta work, make it urgent, urgent, urgent...
Want it quick, make it urgent, urgent, emergency
Urgent, urgent, emergency
Urgent, urgent, urgent, urgent, emergency
Urgent, urgent, urgent, urgent, emergency
