## Foreigner, Urgent

You're not shy, you get around
You wanna fly, don't want your feet on the ground
You stay up, you won't come down
You wanna live, you wanna move to the sound
You've got fire in your veins
Burning hot, but you don't feel a thing
Your desire is insane
You can't stop until you do it again

And sometimes I wonder, as I look in your eyes Maybe you're thinking of some other guy But I know, yes I know, how to treat you right That's why you call me in the middle of the night

You say it's urgent So urgent So awful urgent, urgent, urgent, just wait and see How urgent our love can be It's urgent (urgent, urgent...)

You play tricks on my mind You're everywhere, but you're so hard to find You're not warm or sentimental You're so extreme, you can be so temperamental

But I'm not looking for a love that lasts I know what I need, and I need it fast Yeah, there's one thing in common that we both share That's a need for each other, anytime, anywhere

It gets so urgent
So urgent
You know it's urgent
I wanna tell you it's the same for me
So awful urgent, urgent, urgent, just wait and see
How urgent our love can be
It's urgent (urgent, urgent...)

You say it's urgent
Make it fast, make it urgent
Do it quick, do it urgent
Gotta work, make it urgent, urgent, urgent...
Want it quick, make it urgent, urgent, emergency
Urgent, urgent, emergency
Urgent, urgent, urgent, urgent, emergency
Urgent, urgent, urgent, urgent, emergency
