

# Forgive Durden, Meet The King

"King Malka"

So you're the boy I've heard so much about from my daughter's open mouth  
Well, she's described for me wild fantasies of true love and ancient prophecies  
Did you think you could waltz right and steal? (The princess for yourself...)  
Seducing her with empty dreams and a rusting ring?  
Well I'm the King, it won't be that easy

"Anhura"

Father, you don't understand...

"Adakias"

I'm not after your throne or jewels

"Anhura"

You can't justify demands...

"Adakias"

Not looking for a crown or holy rule

"Anhura"

Father, don't you understand?

"Adakias"

I just want your daughter's heart, you fool

"Anhura"

You can't hold onto my hand, 'cause I have found my man

"King Malka"

Daughter, my dear, please open both your ears

There is something not right here

Well, I can't place my finger on it

But this young man's filled with darkness

If you think I'll just sit back and let this slide (You are mistaken...)

I will surely not give up without a fight,

'Cause I'm the King, it won't be that easy

"Anhura"

Father, you don't understand...

"Adakias"

I'm not after your throne or jewels

"Anhura"

You can't justify demands...

"Adakias"

Not looking for a crown or holy rule

"Anhura"

Father, don't you understand?

"Adakias"

I just want your daughter's heart, you fool

"Anhura"

You can't hold onto my hand, 'cause I have found my man

"Adakias"

Please, sir, let me say something on my behalf

I love your daughter and she, well, she loves me back

"Adakias and Anhura"

All we have is love, my King, so let's sing la da da da

All we have is love, my King, so let's sing la da da da

All we have is love, my King, so let's sing la da da da

All we have is love, my King, let's sing

"Narrator"

Denied by the king and his greed

The pair would indeed be married in secrecy

But before they had agreed when and where to meet

The princess felt queasy and weak, could barely speak

Adakias knew instantly why she was so green

And what had caused the disease, it was his proximity

She was ill from his company, evil's ubiquity  
You can't run from your history  
Your past will seek you endlessly

He knew the only remedy to her viral malady resided  
And abided on the opposite side of the petrous levy  
And it's harsh, barbed, concrete peak  
So while avoiding the leak of his true identity  
Adakias convinced the princess of their leave  
They would meet with a specialist and rid her blood of this  
He kissed her on the lips and assured her a life long lived
