

# Forgive Durden, The Spider And The Lamps

"Barayas The Spider"  
So you're Ahrima  
Nice to finally meet ya  
Heard so much about you  
And I hope it's all true  
I saw what they did

"Ahrima"  
Yeah, such arrogance!

"Barayas The Spider"  
I'm the Spider. Crawl inside her.  
I'm gonna show you this once,  
And then you're gonna do it

You have a special gift  
But they still treat you like you're a kid  
It must hurt so bad  
With a knife in your back

Oh, oh, ohhhh...  
They don't understand  
This is their last chance  
No more idle hands  
You'll destroy the lamps  
Then they'll know  
Who's in control

Bring those lamps back to me  
Don't leave them in one piece  
Make sure there's a crowd  
Then tear them to the ground!

Bring those lamps back to me  
Don't leave them in one piece  
It's your chance for revenge!  
This will show them!

Now it's your turn  
C'mon, like you mean it!

"Ahrima"  
I have a special gift  
But they still treat me like I'm a kid  
It hurts so bad  
With a knife in your back

Oh, oh, ohhhh...  
They don't understand  
This is their last chance  
No more idle hands  
I'll destroy the lamps  
Then they'll know  
Who's in control

"Barayas The Spider"  
They can't stop you  
Bring those lamps back to me  
Go now!  
Don't stop!  
They underestimate you and your gift!

"Ahrima"  
Tear those lamps to the ground!

Let them cry their eyes out!  
Tear those lamps to the ground!  
Let them hear the sound!

"The Narrator"

The seed had been sown, now the evil would grow  
His keen, young veins were ripe for this aim  
So Ahrima set forth to use the lamps as a torch  
And with everyone around, he tore them to the ground,  
And suddenly, without warning, their creation was burning!  
Their design, ignited, all that hard work, slighted!

So Toba the Tura was sent  
To hold Ahrima responsible for his mess  
To ban him to this fiery abyss!  
While the remaining found a new place to live
