

Forgotten Rebels, Do You Wanna Fuck Me?

I can see that look in your eyes
I know what you wanna do
you'd die to have me in your thighs
you'd even pay me too

When you try to hide
what's inside your head
You're dying to get me into your bed
when you twitch your love pulls the thread
every time you look at me
I can see

Do you wanna f**k me
Do you wanna screw
Do wanna f**k me all night
It's a fantasy for you

when you got your guy in your hole
you always wish it's me
one f**k and you come in your drawers
then you put your undies in the laundry

when you try to hide
what's inside your head
you're dying to get me into your bed
when you twitch the needle
love pulls the thread
every time you look at me
I can see

do you wanna f**k me
do you wanna screw
do wanna f**k me all nite
it's a fantasy for you

break

and you're trying to hide
what's inside your head
you're dying to get me into your bed
when you push the needle it pulls the thread
every time you look at me
I can see

do you wanna f**k me
do you wanna screw
do wanna f**k me all nite
it's a fantasy for you

do you wanna f**k me
do you wanna screw
do wanna f**k me all nite
it's a fantasy for you
