

Forgotten Rebels, It Won't Be Long

It won't be long until you see me again
It won't be long until your rockin' again
It won't be long until you're dancin' again
Just think about me when you f - - k other

it won't be long until a while from now
I know you'll last but I don't know how
When you're in love with such a glamorous star
I even gave you a ride in my car

[Chorus:]

No no no no no no no no no
It won't be long until you see me again!

Kiss my picture and I'll love you again
Do you think about me when you're alone?
Do you think about me when you're at home?
Do you think about me when you're with friends?
Am I a doll? Am I the living end?

Blow me a kiss and send it in the mail
I'll send one back honey I won't fall
Make it good cos' I'm goin' away
If you get lucky I'll be back in a day

No no no no no no no no no
It won't be long until you see me again!
