

# Forgotten Rebels, Sadie Sadie

When I first saw you girl, I looked in your eyes  
I just knew I'd have to make ya mine  
With your raven curls you're such a pretty girl  
I'm gonna love ya past the end of time  
And forever stands when we hold each others hands  
the only way {it feels} it could be  
when I hold you tight I wanna  
{only wanna} hold you close to me

And I'm just so glad I found you  
I wanna squeeze ya baby, love ya all nite long  
And I'm just so glad I found you  
I wanna rock and roll ya baby all nite long  
I said

Sadie sadie  
Oh sadie sadie...

Every word straight from your heart  
your voice gives me thrills  
to see you smile makes a day worth while  
with you I just can't be still  
and sadie sadie, how you drive me crazy  
the sweetest things that you do  
I wanna make it sincere I'm gonna hold you near  
I gonna {save/change} my world for you

And I'm just so glad you're mine girl  
I wanna love ya baby love ya all nite through  
and I'm just so glad you're mine girl  
I wanna squeeze ya baby, baby all nite long  
I said

Sadie Sadie  
Oh Sadie Sadie...
