

# Forgotten Tales, Word of Truth

Life can be hard like a steel cage  
If you don't know how to live it.  
You can be so frustrated, total rage.  
But deep inside you must learn it  
The way of truth:

You had enough of their rules  
When they tell you what to say or what to do.  
You had enough of their lies.  
When is this hell gonna end for me and you?

Honor , respect, justice and truth  
Are these values long gone?  
Greed, hatred, warfare and lie  
It's now the only way to fade and die.

The word of truth begins with you  
No matter all the odds against you  
The word of truth is not always easy to say  
But if you try, true friends  
Will stay with you.

Life has been always hard without.  
You don't decide what is right  
Learn that happiness is inside you.  
Somewhere else can it be more bright  
The way of truth:

You had enough to please every one  
Be true to yourself, don't be afraid to dare  
Remember that true friends are worth  
Ten times someone who's pretending to care.

Honor, respect, justice...
