

Format, A Save Situation

It feels like youve been asleep for days the television is on, i cant stay awake ill fall down, again and
Leave, oh they get gone its such a pet peeve when you prove me wrong ill fall down and we all fall
To tempe, its been two years since ive been here before back down to the streets that lead me the

From glendale o-o-open your eyes and let me in i swore to god id never swear again and we all fall
Down again
