I lost my memory
In a cab back in the city
It's somewhere off of Lexington
Just something that the east coast does to me
Makes me forget who I am

Well so c'mon and hold me
Don't put out the lights
I wanna see that look in your eyes
I know that lately
I've been out of your sight
Being here has never felt so right

I'm falling in love with you
Balloons or no balloons
So it's time I forget the past
And just learn to love what I have
'Cause I love waking up to your laugh, oh

Something about the midwest sun and oh
It makes me miss you more than life
Could be the trees that stand alone in the fields
They remind me every couple of miles
I'd love to stop our lives, stop everything
Just so we could move far away
We'll live alone together with the sweat of the summer
With the chill of the cold winter air, oh yeah

I'm falling in love with you
For more reasons than 22
So it's time I forget the past
And just learn to love what I have
'Cause I love waking up to your laugh, yeah, whoa, oh whoa

Won't you put it in drive
C'mon and get me back home
I'll spend the rest of my life
With only you by my side

Alright

I'm falling in love with you
Balloons or no balloons
It's time I forget the past
And just learn to love what I have
'Cause I love waking up to your laugh, yeah, whoa, oh whoa

Won't you put it in drive
C'mon and get me back home
I'll spend the rest of my life
With only you by my side
