

Forty Foot Echo, Weakness

So ya say we can't live forever
But you got it, deep inside
Now I'm losin' my mind in my head

So ya say we can't be together
But I'm not the jealous type
All I ever wanted
To get a life

You're my sickness
You're my weakness
You're my piece of mind
You're mine
You're my sickness
You're my weakness
You're mine

So I tried to make my own way
Followed down a darkened road
Losing all my sanity in you

Never saw it comin', breakin'
Never saw the pissed off truth
Now if I could break away
And feel alive

You're my sickness
You're my weakness
You're my piece of mind
You're mine
You're my sickness
You're my weakness
You're mine
You're mine

I can't sleep
I can't eat
I can't see
I can't breath

You're my sickness
You're my weakness
You're my piece of mind
You're mine
You're my sickness
You're my weakness
You're mine
You're mine
