

Four Of Diamonds, Cozy Little Christmas

[Verse 1]

Everybody's in a hurry, in a flurry
Shopping 'til they're droppin' in the snow
Kids are cryin', dogs are barkin'
Catching up with folks we barely know
Sure it's madness, but it's magic
As soon as you hang up the mistletoe
'Cause you're the reason for the season
No, we don't need to keep up with the Jones

[Pre-Chorus]

Our love is something priceless

[Chorus]

I don't need diamonds, no sparkly things (No no no)
'Cause you can't buy this a-feeling (No no no)
Nothing lights my fire or wraps me up, baby, like you do
Just want a cozy, a cozy little Christmas here with you

[Verse 2]

So, Mr. Santa, take the day off
Get a massage, 'cause we've got this one all under control
A little whiskey, we're getting frisky
And slow dancing to Nat King Cole
No, we ain't stressin', just caressin'
Warming up our popsicle toes
Nothing's missin', 'cause you're a blessin'
Yes, you're the only one I'm wishing for

[Pre-Chorus]

Our love is something priceless

[Chorus]

I don't need diamonds, no sparkly things (No, no no)
'Cause you can't buy this a-feeling (No no no)
Nothing lights my fire or wraps me up, baby, like you do
Just want a cozy, a cozy little Christmas here with you

[Bridge]

Oh, oh
A cozy little Christmas here with you
Oh, oh, no no no no

[Chorus]

I don't need diamonds, no sparkly things (No, no no)
'Cause you can't buy this a-feeling (No, no no)
Nothing lights my fire or wraps me up, baby, like you do
Just want a cozy, a cozy little Christmas here with you

[Outro]

Just you and me, under a tree
A cozy little Christmas here with you
