

Four Star Mary, Prision

Welcome 2 the sounds of screaming,
Welcome to the walls of stone,
Knock me out and leave me bleeding,
13 years ... you feel so old,

And i know it won't get easier,
And i know until i'm gone.

[CHORUS]

I won't make it,
I won't make it,
Welcome to this prison called home.

Said you'd leave if he "adores" you,
Said you'd leave if he gets stoned,
Got to get me out of this prison,
Got to get me out of this tomb.

And i know it won't get easier,
And i know until i'm gone.

[CHORUS]

I won't make it,
I won't make it,
Welcome to this prison called home.
