

# Four Tops, It's The Same Old Song

(Brian Holland/Lamont Dozier/Edward Holland, Jr.)

You're sweet as a honey bee  
But like a honey bee stings  
You've gone and left my heart in pain  
All you left is our favorite song  
The one we danced to all night long  
It used to bring sweet memories  
Of a tender love that used to be

Now it's the same old song  
But with a different meaning  
Since you been gone  
It's the same old song  
But with a different meaning  
Since you been gone

A sentimental fool am I  
To hear a old love song  
And wanna cry  
But the melody keeps haunting me  
Reminding me how in love we used to be  
Keep hearing the part that used to touch my heart  
Saying together forever  
Breaking up never

It's the same old song  
But with a different meaning  
Since you been gone  
It's the same old song  
But with a different meaning  
Since you been gone

Precious memories keep a lingering on  
Everytime I hear our favorite song  
Now you're gone  
Left this emptiness  
I only reminisce  
The happiness we spent  
We used to dance on the music  
Make romance through the music

It's the same old song  
But with a different meaning  
Since you been gone  
It's the same old song  
But with a different meaning  
Since you been gone

It's the same old song  
But with a different meaning  
Since you been gone  
It's the same old song  
But with a different meaning  
Since you been gone
