

Fourth In The Fire, Can I Ascend?

VERSE 1

Can I ascend the hill of the Lord?
Can I stand in that Holy place?
There to approach the glory of my God
I come forth to seek your face
Purify my heart, purify my hands
For I know it is on the Holy ground I stand

CHORUS:

I'm coming up the mountain Lord
I'm seeking you and you alone
I know that I will be transformed
My heart unveiled before you
I'm longing for your presence Lord
Envelop me within the cloud
I'm coming up the mountain Lord
My heart unveiled before you
I will come

Verse 1

Chorus

I come to worship
I come to bow down
I come to meet with you(repeat all four times)

Purify my heart purify my hand
For I know it is on the Holy ground I stand

Chorus till end....
