

Foxes, Sister Ray

She Keeps dancing
Cuts The Floor
Still Awake for evermore

Taken Too Much
Much Too Young
Our Hearts Spinning Too Fast & Too Far
To Love someone

We Could Make Tonight
One Of Those Sister Ray Kinda Nights
Yes, Your Love Is Mythical,
A Ritual
Moving Like A Knife
It's Close Enough,
It's Dangerous
Gemini Is Your Touch That's Got Me

Do you remember
That's A Clear night
Can Almost Taste It
The Sweetness Alright

Taken Too Much
Much Too Young
Our Hearts Spinning Too Fast & Too Far
To Love Someone

We Could Make Tonight
One Of Those Sister Ray Kinda Nights
Yes, Your Love Is Mythical,
A Ritual
Moving Like A Knife
It's Close Enough,
It's Dangerous
Gemini Is Your Touch That's Got Me
