

# Foxy Brown, Dog And A Fox

(feat. DMX)

[DMX]

Uhhhh, uhhhhhh

Let's do it, we're startin'

Uh, come on boogie boogie, uh, uh

Lets do it, let's do it, DMX, come on

I been playin' bitches all my life, from that hoe to my wife  
You think I give a fuck, like you don't know I'm livin' trife  
Strife and struggle, bitches with pussy on the juggle  
Little shorty named Tomika from 25th who can smuggle  
Cheese to that Columbian Connection  
From that cross-the-water section  
Baby nine-seventeen, try for protection  
Injection of that shit I'm kickin'  
Got you stickin' niggas you got love for  
Bring 'em up, touch 'em with the buzz saw

Bitches slingin' rocks, swingin' glocks, bringin' knocks  
Holdin' down the fort even when it's steamin' hot  
Money's being got but honeys actin' shady  
So I hit it with 5 between the 380's  
Can't fox a 300 Mercedes  
Time like this bring out the savage and shit  
Bitches ain't keepin' it real, so I'm damagin' shit  
I'm on that scavenger shit, and I'm hungry  
Fox with the Dog, it's about to get ugly, for real  
Aiyyo

Do' I stacked on pussy, platinum and lace

Ain't no smile on my face

Shit, burn up by the waist

Fuck him right to the safe and tell him

Crack the bitch before I blast his bitch

Ya'll know Na-Na come through

Dime-chicks, iced up, minked out, roly 6, light grey chrome 6

Go to ask, wanna fuck? Then throw the cash right

'Aye bitch needs some dick in they life

Make 'em cop you with rock or just copy some rocks

Take it all from his dumb-ass, slide on his bum-ass

I want some shit and I'm hungry, Dog with the Fox

It's about to get ugly
